

Bachelor of Science

Years 1 & 2
Buffalo Narrows; Creighton; Ile-a-la-Crosse; La Loche; La Ronge

September 2019 – April 2020

Program Overview

Students complete 60 credit units of required and elective courses that can lead to a Bachelor of Science degree in Biology or Chemistry.

Biology is an excellent choice for students interested in gaining entrance to a health science program, including medicine, dentistry, nursing, and veterinary medicine.

Chemistry takes the fundamental ideas of mathematics and physics, adapts them to chemical systems, and applies them in areas ranging from biotechnology to advanced materials to environmental science.

This program fulfills the first two years of study; students must complete their degrees on-campus.

Full- and part-time studies available.

Applicants must be proficient in the English language.

Entrance Requirements

- Grade 12 diploma with:
 - one of: Foundations of Mathematics 30, Pre-Calculus 30, Calculus 30, Mathematics A30, B30 or C30*
