

# Information Technology Essentials

Online - Northern Saskatchewan

In partnership with Keewatin Career Development Association  
September 9, 2019 – March 27, 2020

## Program Overview

Imagine building a computer then connecting it securely to a network. This exciting first step could lead to a rewarding IT career. This program offers a sure way to excel, no matter which area of IT you eventually choose, as you will learn the right computer fundamentals.

IT Essentials: PC Hardware and Software covers the career skills needed for entry-level IT jobs.

This program ladders into the Cisco Certified Network Associate program (CCNA), followed by the Cisco Certified Network Professional program (CCNP).

This is an online program. You will need access to an Internet connection and headphones. Computers will be provided by KCDA.

Live online lectures Monday to Friday 10:00 am to 12:00 noon. Lectures are archived and can be viewed anytime.
